INTRODUCTION

- RISE conducted an Underage Gambling Prevention Training session with Guidance Counsellors.
Sessions were conducted December 2022.
- Evaluation forms were issued to assess the experience of the participants.
- To this end, Hope Caribbean Company Limited presents the following report detailing the results of the evaluation.

SUMMARY OF RESULTS

- Generally, the underage gambling prevention training sessions were received well among the participants, with 100% rating it excellent/good. **(Figure 1)**
- The sessions were believed to be good quality, organized and easy to follow. It was also thought to provide relevant and useful information to tackle underage gambling. **(Figures 2,4 &5)**
- The trainers were commended for being knowledgeable and interactive. **(Figure 6 & 7)**
- As such, most participants did not have any suggestions for improvement. **(Table 1)**
